YOUR CHARLESTON ITINERARY

From boating, fishing, and beach adventures to historic, culinary, and cultural experiences, we craft enjoyable events that nurture healthy competition, create conversation, and build lasting bonds.

HISTORY HUSTLE

Arm your teams for healthy competition with a Polaroid camera, a map, a list of historical locations and a series of tasks to be completed together.

DOWNTOWN TOURS

Enjoy the splendor of historic Charleston's stately homes, gardens, and churches as you wander cobblestone pathways. Or opt for an after-dusk "ghost tour" of the city's shadowy past.

MILITARY TOURS

Show your guests where the Civil War began, or take them on a personalized tour of a WWII aircraft carrier. Charleston's rich military history provides several enticing options.

GARDEN TOURS

Explore National Historic Landmarks that preserve the Lowcountry's past while sharing the unique experiences of those who lived and worked there. Plantation and garden tours offer a one-of-a-kind experience.

HISTORY TOURS

Explore National Historic Landmarks that preserve and examine the Lowcountry's history, art, and culture.

WILDLIFE TOURS

For small, intimate groups, plan a private tour of Bulls Island—a 5,000-acre wildlife refuge that lies just three miles off the coast of Charleston.

BEACHES

Minutes from downtown Charleston lie miles of sandy, pristine beaches that are beloved by locals and frequented by groups. Our team does the planning so you can sit back and relax.

FISHING

Have a half day to fill? Let us arrange an in-shore fishing experience for your guests. Looking for a more involved activity? Off-shore fishing is also available for full-day excursions.

BOATING

Exploring Charleston's winding rivers and estuaries is a favorite pastime of locals and visitors alike. Take your team on a tour of dolphin-inhabited waters by sea kayaks, sailboat or catamaran.
